- b. Election of Chair and Vice-Chair for the Library Board of Trustees (Action)
- c. Discuss and possible action on policy for Storey County residents applying for Carson City Library Cards. In May of 2012 Storey County voted to close the Storey County Public Library, Carson City Library Board of Trustees should consider a policy on issuing library cards to Nevada jurisdictions not providing any level of library service to their residents. (Action)

Cooperative Libraries Automated Network adopted this statement on the issue:

“Cooperative Libraries Automated Network firmly believes libraries are an integral part of any community and it is the responsibility of a local jurisdiction to maintain library services on par with any other service. The closure of a library, as in the Storey County Commissioners’ May 2012 decision places an unfair burden on other jurisdictions and is unacceptable. Libraries in Nevada actively participate in free reciprocal services with one another. This is not possible with a jurisdiction that has no library services. It is our recommendation that each library review the per capita cost of maintaining services for its residents and determine the cost of providing those services to residents of another jurisdiction. We strongly feel these costs should be passed on to counties who have made the choice to close their libraries.”
